

Quantum Prisoner (Paperback)

By Stanley Friedman

Bellissima Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Dr. Stanley Friedman writes an exciting sequel to his book Quantum Outlaws, but this time our protagonists face a much bigger challenge. This time they must save the entire universe! Find out what happens and ask yourself why Albert Einstein s words when he said, The release of atom power has changed everything except our way of thinking.the solution to this problem lies in the heart of mankind. If only I had known, I should have become a watchmaker, should give scientists everywhere as well as anyone who reads this book some real thought. Based on scientific facts, but fashioned into an exciting adventure that is pure fiction, this book is certain to take your imagination right into outer space. Most of all beware of (the fictional) Keppi technology lest the planet and everyone in our solar system is sucked into the beyond. And find out if our trio of middle school kids was able to save their fictional universe.
