The understanding of the different principles, which contribute to a complete knowledge of this art, is what we refer to as The Professional Background --the background with which Fashion Academy graduates are equipped to take up dressmaking and designing as a profession. When you consider the full meaning of Professional Background, you can readily understand why every community offers a fertile field for the type of service which the term suggests. You can also appreciate why practically every established dressmaking shop has a vacancy for the person who is trained to deliver this type of individual personal service. STARTING A DRESSMAKING BUSINESS 6. Success in the dress designing profession is the result of the application of the same set of elements which contribute to the...
