Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Princess and the Physicist A Science Fiction Novelette First published in Galaxy Science Fiction June 1955. Evelyn E. Smith (25 July 1922 - 4 July 2000) was an American writer and crossword puzzle compiler. During the 1950s, she regularly published-under her real name-short stories and novelettes in magazines like Galaxy Science Fiction and Fantastic Universe. These range from post-apocalyptic satires, such as The Last of the Spode and The Hardest Bargain, to BAXBR/DAXBR, where she explores the dangers of Martian crossword puzzles. Smith also wrote four science fiction novels, which chiefly deal with questions of gender identity and, like all of her work, are characterized by their wit and humor.
