## THE GODS OF GOD ARE RISING (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.David Crawford Birrell graduated as dux of his school in Scotland and after attending college went on to serve an apprenticeship in electronic engineering with Ferranti Ltd. Later on while living in Australia, David became involved in a series of events that led him literally to his knees. He cried out, If there is a God, show me! What happened next changed his life and his family s forever. His supernatural encounter with God has impacted many, and it must be said at this time, not always in a favourable way. David challenges the contemporary church to come out of its compromise, shake free from the grip of humanistic and religious systems which corporatise the church. As the cover suggests, David looks closely at the scriptures pertaining to God s creation being called gods. He reveals the true Spirit behind these scriptures, and much much more. David has spent almost twenty five years studying the bible and bible prophecy and completed his Diploma in Christian Ministries in 1998. David currently lives with his wife Rosemary in the city of Bundaberg, Queensland, Australia. He leads a small...
