

Fences, Gates and Garden Houses: A Book of Designs with Measured Drawings (Paperback)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

FENCES, GATES AND GARDEN HOUSES: A BOOK OF DESIGNS WITH MEASURED DRAWINGS (PAPERBACK)

Dover Publications Inc., United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. This treasure trove of measured drawings and photographs offers fascinating glimpses of New England s wooden fences, gates, and small garden houses -- also known as summer houses, tea houses, and gazebos. Several of the elegantly detailed constructions were built between the Revolutionary War and 1825, an era in which master craftsmen often invested extra time to add artistic flourishes to everyday items. Many of the antique structures depicted in these pages no longer exist. Restorationists, preservationists, and builders concerned with authentic historic styles and techniques will find this unique collection a valuable resource for discovering an important facet of America s architectural history.
