

Purchasing and Storing, Vol. 9 (Classic Reprint) (Paperback)

By H B Twyford

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Purchasing and Storing, Vol. 9 The provision of raw materials and supplies for a manufacturing establishment is a never-ending process as long as the factory is in active operation. It must commence before the machinery is set in motion and the workman exercises his art in producing the output. Prior to this the purchasing and storing cycle of operations will have been accomplished for the particular article on which the workman is engaged. Just as surely as a machine or tool must travel at a given speed to attain the maximum efficiency, so surely must purchasing and storing proceed in feeding raw materials and supplies to the establishment. Only on such a basis can maximum efficiency be secured. There is no natural element which is not undergoing a change. Nature is continually at work producing raw materials for manipulation by human effort. If human effort could parallel this endless activity there would be no reason for studying the economic questions raised by the delays in transporting, storing, and handling the product which is to undergo change in the factory. Some...
