Yearling Books, United States, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Bessica Lefter is back in this hilarious, all-too-relatable middle school novel that will have readers laughing aloud (Booklist). Now that Bessica s the half mascot at her middle school and made some new friends, she finally feels like she s fitting in. But Alice, the other half mascot, hates her. And after some mean texts, Bessica s friendship with Sylvie might be over. Bessica doesn t want drama. She s got her first big game to worry about. Not even taking care of gorgeous Noll Beck s lizard or deciding whether to crash Sylvie s party can distract her. Bessica will be facing off as mascot against T.J. the Tiger, who has a reputation for embarrassing the competition. Letting him make fun of her would be like letting him humiliate her whole school. Bessica s worked hard to have some social status. And she ll work even harder to keep it. . . . [Bessica s] endearing qualities keep one rooting for her. --School Library Journal A fun story. --Midwest Book Review Informative and worthwhile. --VOYA.
