

Temporary (Paperback)

By Sandra Ann Miller

Same Ink, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Helen Clark won the lottery and lost everything. While it wasn't the mega jackpot, it was enough to change her life--quit her job as a starlet's assistant, start a new business and have success. However, her partner's poor decisions brought that dream to an end, and Helen was left with less than nothing. But Helen Clark is a lucky lady. With a job offer from a former colleague, Helen finds herself in charge of permanent placement at a temporary agency specializing in the insanity of Hollywood. As she rebuilds her life, her past mistakes cast a shadow on her future and jeopardize her relationship with a proverbial unicorn. Through success and failure, love and heartbreak, one lesson Helen has learned is to savor the good and let the bad pass because, at the end of the day, everything is temporary.

Excellent electronic book and valuable one. Better than never, though I am quite late in starting to read this one. I am very easily able to get a delight from studying a written book.
