THE 21-DAY PUBLISHING PLAN: FROM FIRST DRAFT TO FIRST SALE IN THREE WEEKS OR LESS!

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.You've finished the manuscript. Now what? Do you get an ISBN? Ask your cousin to read it? Hire someone to sketch a cover? Before you spend a ridiculous amount of time, energy, and money trying to figure out the next steps, you must read this book! There's a ton of information about independent e-publishing on the Internet. It can be hard to separate the junk from the gems and even more difficult to know whom to trust. Let's face it: many people/companies will share just enough free information to convince us to sign up for an UNfree service. Not so here! The 21-Day Publishing Plan is a straightforward, no-nonsense plan for learning the industry, contracting with professionals, preparing your manuscript for publishing, and setting up your book's promotional plan. Written by a full-time novelist who has experienced success as a traditionally and independently published writer, this book gives insider tips through the eyes of one who has weighed the options and seen the best of both worlds. With Michelle Stimpson's tried and true plan, you'll go from first draft to first sale in three weeks or less!
