

E.B.E.: Extra-Terrestrial Biological Entity (Paperback)

By T John Nelson

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Major Rock Patel s adventure began with a war in Afghanistan. It ended on the crater-filled surface of the Moon, just outside an abandoned city built by an alien race from another world. In between an ancient war and a current one, Rock learns that Indu has been marooned on the Moon - for over 15,000 years! What is the secret of this beautiful woman and her space craft that has the power to annihilate worlds and stop time and whose father battles a saber-tooth tiger? How can he rescue her? The Government isn t even sure if she s human, or an E.B.E.

Good e book and useful one. I have got read and that i am confident that i will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
