

## The Cambridge Companion to Frances Burney

Filesize: 2.89 MB

### **Reviews**

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.*

Cambridge University Press. Paperback. Condition: New. 214 pages. Dimensions: 8.9in. x 5.9in. x 0.6in. Frances Burney (1752-1840) was the most successful female novelist of the eighteenth century. Her first novel *Evelina* was a publishing sensation; her follow-up novels *Cecilia* and *Camilla* were regarded as among the best fiction of the time and were much admired by Jane Austen. Burney's life was equally remarkable: a protegee of Samuel Johnson, lady-in-waiting at the court of George III, later wife of an emigre aristocrat and stranded in France during the Napoleonic Wars, she lived on into the reign of Queen Victoria. Her journals and letters are now widely read as a rich source of information about the Court, social conditions and cultural changes over her long lifetime. This Companion is the first volume to cover all her works, including her novels, plays, journals and letters, in a comprehensive and accessible way. It also includes discussion of her critical reputation, and a guide to further reading. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
