

Profile of the Petroleum Refining Industry (Paperback)

By U.S. Environmental Protection Agency

Government Institutes Inc., U.S., United States, 2001. Paperback. Condition: New. Language: English . Brand New Book. You may know what your environmental compliance obligations are, but do you know how EPA sees them? Created by the EPA, this industry-specific handbook includes a comprehensive environmental profile, industrial process information, pollution prevention techniques, pollutant release data, and regulatory requirements unique to the petroleum refining industry. Use the information presented in this book to build a foundation for developing holistic solutions to environmental problems, research the petroleum refining industry and its environmental regulations, understand compliance issues, develop industry-specific training sessions/programs, or create and improve innovative pollution-prevention programs that would make any EPA inspector smile.
