Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As an author, I know that characters often take on lives of their own. But what would you do if you received a phone call from someone you thought only existed in the pages of your book? That is exactly what happened to me, Marissa Honeycutt, author of *The Life of Anna*. Imagine my complete shock when I was called upon to perform an extraordinary and revolting task: travel to Russia to speak to one hailed by many as their all-time favorite villain. No one begins life as an evil son of a well, you know, including Devin. Believe it or not, there was a time when our villain was a young man in love. So what happened? Join me as I delve deep into the mind of Devin Andersen, to find out how the man became the monster. ***Please note this is not a stand-alone story. If you don't like spoilers, don't read this until you read *The Life of Anna*.
