AUTHORHOUSE, United States, 2006. Paperback. Book Condition: New. 223 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.People say hiking the Appalachian Trail is a life changing experience and I agree! I believe I ve learned to be a little more patient. I ve learned to realize what is important in life. I ve learned to appreciate relationships with friends and loved ones. I ve learned about spending time with myself. I ve learned about pain and how much I could stand. I ve learned the joy of climbing Mount Albert and seeing the beauty of the surrounding mountains. I ve learned the happiness you feel when you get into a town for your mail drop. I ve learned to appreciate what it means to have Trail Magic come your way. I ve seen the beauty of the wild animals and I ve seen how Mother Nature displays her beauty as you hike from Georgia to Maine. I ve watched as everything turns green and the flowers begin to bloom. I appreciate a good pair of hiking boots while trekking through the rocks of Pennsylvania and boulders of the beautiful White Mountains. I ve learned to deal with the weather changes as your going across Mt. Washington and the Presidential Mountains. I ve learned of the peacefulness of the 100 Mile Wilderness and I ve felt the excitement of climbing the last mountain, Mt. Katahdin. I think of these many things every day. I dream of them every night. Whenever I see a mountain or I pass a wooded area, my memory takes me back to the Appalachian Trail. Do you know what? I am going to do it again when I m 70! Marine One aka David A Jensen.
