Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Practical Studies in Sentence Analysis Practical Studies in Sentence Analysis is a revision and an enlargement of the author's former work, entitled A Study of the English Sentence, which was published in 1895. In this work was printed for the first time a new method of written (visual) sentence analysis, designed as a substitute for the defective diagram system then in vogue. Since that time the writer has taught his scheme of combined oral and written analysis of the English sentence to many classes of pupils and teachers, who have voluntarily given personal testimony to its practical value. The memory of these words of commendation has furnished, for the most part, the author's main motive for organizing in a textbook the results of his past experiences in studying and teaching the functional elements of the English sentence. In no sense is this work to be regarded as a substitute for a textbook on English Grammar, but rather as a supplement to almost any grammar that would serve as a reference book for rules, principles, and definitions. It must be acknowledged that much of the teaching of English grammar has had to do with the recognition and classification of the Parts of Speech, and that no sufficient attention has been given to the classification of unit elements according to their special functions. The importance of sentence analysis has been noted by the New York Board of Regents in an English Syllabus in the following terms: To help the pupil to develop the sentence sense and to grasp the thought of difficult sentences, much of the time given to the study of grammar should be...
