**FUN ENJOY LIFE TO THE FULLEST. FUN, CULTURE AND SOCIALIZING ON A SHOESTRING (PAPERBACK)**

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is a workbook of sorts and we are going to look at having fun and living a full life through art, music, theater, sports, and socializing. There s nothing to do, I can t afford to. I m so-o bored. Even if you have a flat wallet, complaints like these are no excuse for not enjoying your life, or not having fun. This workbook will show you how to have it all, with only a few dollars in your pocket. The ideas you find here are only a few of the possibilities. They are intended to stimulate your thinking and help you find things that are available in your own community. Having fun, being liked, enjoying life, is all a matter of attitude. Try something new. If you flub, give a laugh. You can either decide that you will stick with it, because you have to improve if you keep trying, or there is no shame in saying, I am not good at this, think I will try something else. Instead of tennis you might like jogging or fishing. There are lines after each idea for you to put the phone number, or address, or name of the place, person or date of an event. You can make a copy of a page and leave the one in the book as a master sheet for the next time you want to check on that activity. Sometimes the dates or the times that a museum / library / etc. is open will vary with the seasons and sometimes there is a special event going on and the costs change. Where would you have the most fun and satisfaction? Try a...
