Hardie Grant Books (UK), United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. Pocket Michelle Obama Wisdom has assembled the very best quotes from the world s favourite First Lady. Covering all of her favourite topics - from her love of french fries to her feelings on fashion and feminism - this handy little book finally allows you to take Michelle s complete counsel wherever you go. On Women Every mother works hard, and every woman deserves to be respected. Like most women, I know how it feels to be overlooked, to be underestimated. On Men What I notice about men, all men, is that their order is me, my family, God is in there somewhere, but me is first. On Herself What I never cut class, I loved getting As. I like being smart. I liked being on time. I though being smart was cooler than anything in the world. Sasha and I just want to talk about our favourite song on the Lemonade album.
