Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. No one would spot a terrorist in a well-cut DJ Grand hotels at night are strange planets where rare creatures, unfamiliar with either sunlight or moonlight, live undisturbed in luxuriant undergrowth, places to hide in plain sight where everybody is a former something and where no one would spot a terrorist in a well-cut dinner jacket. The story concerns a terrorist informer living in plain sight as the night manager of the hotel. Everybody loves Mooney; charming and affable, every night he showers weapons-grade empathy on the foibles of the rich. The afterlife of a turned grass is thick carpet, Cuban cigars, fine wine and the occasional killing for his new masters. Even his companion at night, Botley, was once a bent copper; Oh lucky man. One night Mooney fleetingly sees a man he recognizes from his past. It could spoil everything and then bodies begin to pile up. It begins when, from a fifth floor room, watchers on a stakeout see something that they should not have seen. The body of one emerges from the hotel s laundry chute, swaddled in bloody towels. The body of the other is first found and then mysteriously disappears. Superintendent Ann Taylor investigates. She traces the killings back to the original stakeout and realizes that the case revolves around finding out what they actually saw. The night life of the hotel, it seems, is organized for more than just hospitality. Taylor suspects Mooney and an elderly American lady who is resident in a suite. They both appear to have official protection and she senses a threatening political minefield. Ann drinks too much and cares too much but won t be intimidated. In a world...
