Brand New Book ***** Print on Demand *****.Jordan Connor is one of the world s rarest creatures - a Christian environmentalist! His views of creation put him at odds with his colleagues, and his beliefs on the subject of environmentalism strain the relationships he has within his Christian family. While helping a beautiful woman and fellow conservationist search for the thought-to-be extinct Michigan cougar, they discover the body of a new undocumented species-a bigfoot! And it had been killed by a gunshot wound! Who would kill such an animal? Is there another one out there, hiding in the forest? And who will be the one to find it, if it s there? His faith and morals will certainly be put to the test as the race to find this rare creature ensues. He knows that in a world full of illegal ivory sales and endangered species poaching, money certainly talks. And with the discovery of what is likely the rarest mammal on earth, everyone is after a piece of the pie. Some will go to great lengths to cash in on this amazing discovery, including kidnapping and possibly even murder! One side has money and resources, crooked police and compromised media people, but Jordan and his small team have courage and convictions. He teams up with his longtime mentor and the woman with whom he is falling quickly in love, to prevent any more of these unbelievable animals from being carelessly destroyed. Will Jordan save this species before it falls into the greedy, wicked hands of those who wish to harm it? Or, will nature once again fall victim to the arrogant desires of mankind? Danger, romance, and a strong faith in Christ...
