How to Find and Win Your Dream Job With The Job Hunter s Handbook It s really true, isn t it? They say it s really easy to get a job when you re already working and don t need one! When you are unemployed, however, and trying to live on the meager unemployment checks it can get real scary real fast! The checks won t cover a house payment or rent, let alone utilities and minor details like food for your kids! What s a person supposed to do? What happened? Somewhere between the great depression and the information age, job hunting wasn t the stressful task it is today. A guy like your Dad or your grandfather worked the same job clear up to retirement. After putting in his 20, 30 or 40 years his boss would give him a gold watch and a pension for his faithful years of service. Sadly, that is no longer the case. Every day we see more and more jobs being eroded by more technology or actually re-assigning your position to someone half way across the world! Instead of planning on putting in your time then enjoying the fruits of your labor, you are lucky if the job lasts more than a year or so before you get the pink slip that tells you that the company is re-aligning their resources and your position is being eliminated! The problem is that this will hit most people when they least expect it and this process repeats itself every single day across the country. So, what can you do about it? One of the first things you should do is become...
