Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Our virtues can become our vices. Faith. Love. Family. Power. Success. Goodness. Generosity. Who among us wouldn't want to exhibit strength in these areas in our lives? It's hard to imagine this list being similar to the seven deadly sins that we strive to avoid, such as greed, lust, and slothfulness. But even so-called virtues can be harmful to our souls if we're not careful about how we pursue them in our lives. Todd Outcalt explores the fine line between virtues and vices, and he helps us to discern the difference between the two. Using biblical insights, classic and contemporary illustrations, and thoughtful commentary, he uncovers ways our flawed priorities and values can masquerade as healthy religious practices and goals. He opens our eyes to misconceptions of what true character is in the eyes of God and shows us how to reorient ourselves toward virtuous living. Pursuing God with clear motivations and pure hearts is not always as straightforward as it sounds. The Seven Deadly Virtues will help you recognize and remove the everyday stumbling blocks in your Christian walk that keep you from true spiritual growth and vitality.
