## The New Method of Inoculating for the Small-Pox

By Benjamin Rush

Createspace, United States, 2015. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Benjamin Rush (January 4, 1746 - April 19, 1813) was a Founding Father of the United States. Rush was a civic leader in Philadelphia, where he was a physician, politician, social reformer, educator and humanitarian, as well as the founder of Dickinson College in Carlisle, Pennsylvania. Rush signed the Declaration of Independence and attended the Continental Congress. He served as Surgeon General in the Continental army. Rush became a professor of chemistry, medical theory, and clinical practice at the University of Pennsylvania. Rush was a leader of the American Enlightenment, and an enthusiastic supporter of the American Revolution. He was a leader in Pennsylvania's ratification of the Constitution in 1788. He was prominent in many reforms, especially in the areas of medicine and education. He opposed slavery, advocated free public schools, and sought improved education for women and a more enlightened penal system. As a leading physician, Rush had a major impact on the emerging medical profession. As an Enlightenment intellectual, he was committed to organizing all medical knowledge around explanatory theories, rather than rely on empirical...

### Reviews

*An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.*

-- Beverly Hoppe

*Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting reading this one. I realized this publication from my dad and he suggested this ebook to discover.*

-- Adela Schroeder II
