Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Welcome Baby Isabel to the world with this inspiring and slightly inappropriate story book that makes it very clear what a great world we live in. Great gift for anyone named Isabel, and a baby shower item that will blow all of the other gifts away. The full text of the story appears below. Be kind to a stranger when they feel like a fool. You ll experience moments when time stands still. A whole world in the clouds if you lay back and chill. Stop to smell flowers, speak with those who seem strange. If things don t feel right, bring the love. Things will change. You can travel forever and not see it all. And still laugh when somebody gets hit in the balls. There is beauty in silence, alone with your thoughts. And the thrill of escaping without being caught. You will feel each emotion, from love, down to hate. And the great nervous thrill of every first date. And another thing, Isabel, though it might seem absurd. By the time you can read this, fuck wont...
