

Byberry State Hospital

By Hannah Karena Jones

Arcadia Publishing (SC), United States, 2013. Paperback. Book Condition: New. 231 x 163 mm. Language: English . Brand New Book. Looming on the outskirts of Philadelphia County since 1906, the mental hospital most commonly known as Byberry stood abandoned for 16 years before being demolished in 2006. At its peak in the 1960s, Byberry was home to more than 6,000 patients and employer to more than 800. With its own self-sustaining farm, bowling alleys, barbershop, ice cream parlor, federal post office, and baseball team, Byberry was a micro-community. Throughout its history, the hospital served as an educational institution for Philadelphia's medical, nursing, and psychology students; was the site of a World War II Civilian Public Service conscientious objector unit; and a volunteering hot spot for local churches, schools, and Girl and Boy Scout troops. This book provides an unprecedented window into the good, the bad, the unusual, and the forgotten history of Byberry.

Reviews

It is an awesome publication which i actually have ever read through. it had been writtern really properly and valuable. I found out this book from my i and dad recommended this pdf to discover.

-- Doyle Schmeler

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
