No one word or phrase captures the range of these essays. The entire investing world is explained, skewered and observed. Mistakes are laid bare. Lessons are learned. Techniques are mastered. Techniques are described. Experienced investors will chuckle knowingly. Novices will scribble notes in the margin. Day traders will see the light. My mother will shake her head in confused disbelief This is the child that gets published Why couldn t it have been one of the smart ones Be the first on your block to own the third edition of Words of Wisdom -- my favorite kind of trilogies . the kind where we only need to edit the first two.
