Brand New Book ***** Print on Demand *****.Down the halls of a mental hospital and through the streets of a small Norwegian city, Matt drags his feet through some of the worst weeks of his life. It s November, cold and wet on the outside, too quiet and lonely on the inside for the shivering New Yorker. When prescribed medication and professional counseling only make him sleepy, the American expat begins to realize his desperate attempt for help is doomed to fail. He needs a more drastic solution to regain his appetite for life to be fit to see his two daughters again. He misses them immensely. Are they the only reason he is still alive? His decision to seek help in a hospital comes as a big surprise to Lars, his only friend to visit him. Lars wonders if Matt just misses playing music that he is not sick at all. Unexpected events strain their friendship by exposing darker and weaker sides of them both. Conflicts and secrets from the past unfold. Matt revives his crude New York wit in a hide-and-seek game with an ambiguous enemy. A criminal investigation provokes his fundamental doubts about right and wrong, living and dying. What does it take...
