PARADIGM (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A paradigm is a standard, perspective, or set of ideas. A paradigm is a way of looking at something. Paradigm is a collection of poems; some dark, some on the lighter side. These are some of the pieces the poet wrote in the years, some tucked away in pages, some in the folders of his PC, some on the web. These poems carry some of the perspectives of life, that he witnesses around him and some from deepest recesses of his neurons. You will find most of the poems to be related with vagabondism, life, love, motivation et cetera which he personally likes to write more often. Poetry is words given soul and music. I m a lone wolf, I have the world to walk alone, pardon me, I didn t see you behind me. Find more lines of this sort in this collection that is sure to give you the chills.
