THE NOW COVENANT

BookBaby, United States, 2016. Paperback. Book Condition: New. Language: English . Brand New Book. In this book, I present insights into New Covenant understanding. The New Covenant is a place of relationship. It is not merely a place in history. Jesus made a way to get Gods presence into the heart of the earth to change the world. The power that changes the world is our faith and faith comes by God speaking to the human heart. It is the fruit of a personal relationship with God that works through love. We cannot get to our hearts through our heads, but whatever floods our hearts will fill the thoughts of our heads. In the New Covenant light shines OUT OF darkness to reveal the transforming power of Christs light within us. It is a covenant that writes Gods character, nature, way, power, and authority upon our hearts and minds. Our lives were meant to be physical expressions of the will of human souls made alive by the human spirit, which is made alive by the Spirit of God from within. In the New Covenant we receive right passions, right desire, and right fire. True decision doesnt come from instruction; it comes from love and passion. The New Covenant is a NOW Covenant. When something is not NOW it is not new. When we experience Christs life within our hearts we know that Jesus Christ has come in the flesh. The highest form of communication is the voice of he Holy Spirit speaking in the human heart. We are the family of God. My Prayer is that you will experience the NOW covenant of God in an increasing measure as you read the pages of this book and become transformed by the life of Christ within. The New Covenant is the...
