

125 Chess Opening Surprises (Paperback)

By Graham Burgess

Gambit Publications Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Surprising the opponent is a primary aim of modern opening preparation. You can't afford to be a stationary target ? gone are the days when players worked out an elaborate repertoire from which they never varied. These 125 opening surprises land like bombshells in the apparent calm of standard openings and disorientate your opponents as they grapple with original problems. This book is a treasure-trove of unusual ideas at an early stage of the opening, each with a firm logical foundation, yet running against the grain of conventional play. Each idea has quick-strike potential and is supported by enough concrete analysis to enable you to try it with confidence. For this new edition, Burgess has thoroughly revised and expanded the original content with a great many new verdicts and additional analysis and ideas. Every single move has been re-examined and checked against current theory. The brand-new sections mostly deal with ideas that were unknown before 2016 or 2017. Reviews of the first edition (101 Chess Opening Surprises): ?explodes right in your face, with ideas in all openings ranging from the sublime to the ridiculous? ?...

Reviews

I actually started looking over this publication. It really is rally interesting through studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).

-- Elisa Reinger
