By Edita Ciglenecki

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The audience for this dictionary includes medical professionals working in multilingual environments; global health professionals in tourist areas; professionals in public health, humanitarian medicine, emergency disaster management, rescue teams and above all, frequent travellers disposed to any kind of danger or health risk and therefore in the need of medical assistance while in some foreign speaking country. In emergency situations even small misunderstandings can lead to the loss of valuable time and consequently lives, therefore this English-Italian and Italian-English dictionary is created in very practical time-saving and easy-to-understand way for both medical professionals and their patients. Instead of one classical A to Z alphabetical order, it consists of over 3000 medical terms divided to several topics where terms regarding each topic are organized alphabetically. The topics start from very basic subjects of numbers and orientation and proceed with terminology concerning accidents and disasters, parts of the human body, injuries, symptoms and diseases, pharmacy, medical facilities, medical procedures, diagnostics, pregnancy and obstetrics. Questo dizionario inglese-italiano e italiano-inglese contiene piu di 3000 termini medici ed e stato concepito come un manuale...
