

Investigating Deviance: An Anthology (Paperback)

Filesize: 7.48 MB

Reviews

The publication is easy in read through better to recognize. It usually will not cost too much. You wont feel monotony at whenever you want of the time (that's what catalogs are for concerning when you question me).

(Rebecca Bechtelar)

INVESTIGATING DEVIANCE: AN ANTHOLOGY (PAPERBACK)

To download **Investigating Deviance: An Anthology (Paperback)** PDF, please refer to the link listed below and download the ebook or get access to other information that are in conjunction with INVESTIGATING DEVIANCE: AN ANTHOLOGY (PAPERBACK) ebook.

Oxford University Press Inc, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The highly readable articles in this comprehensive anthology explore the essence of deviant behavior--its construction, explanation, commission, and control. Substantive introductions to each section and to each article allow the book's component parts to stand on their own depending on instructional needs. Topic-specific Internet websites are also provided. Bruce Jacobs has selected an eclectic cross-section of compelling readings. The book's theoretical coverage draws from classic as well as contemporary approaches (e.g., lifecourse, general strain, institutional anomie, feminist), with an emphasis on the latter. The empirical selections on forms of deviant behavior are engaging, ethnographic, and timely. Coverage includes: * Child Prostitution * Robbery of Drug Dealers * Impersonal Homosexual Sex * Internet Pornography * Petty Shoplifting * Eating Disorders * Life on Death Row * Racial Profiling * Ritalin and the Drugging of Children * Sex Tourism * Athletes with Physical Disabilities * Violence Beyond the Law * Cyberspace Crime * Use of Cameras, Drug Tests, and DNA Analysis to Monitor Deviants Additional Features: * The section on deviant identity management emphasizes the acquisition and management of stigma. * The researching deviance section features the process by which scholars conduct deviance research (both ethnographic and survey)--as well as how they identify and infiltrate settings, negotiate dilemmas and contradictions, and secure valid data. * The section on deviance and social control covers profiling, life sentences, judicial discretion, and surveillance. * Gender is incorporated throughout the book as a crucial mediating variable. Feminist perspectives are included, as well as approaches that focus on masculinity and deviance.
