Reviews

*It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

BRILLIANCE AUDIO, 2014. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. For Captain Honor Harrington, it s sometimes hard to know who the enemy really is. Despite political foes, professional jealousies, and the scandal that drove her into exile, she s been offered a chance to reclaim her career as an officer of the Royal Manticoran Navy. But there s a catch. She must assume command of a squadron of jury-rigged armed merchantmen with crew drawn from the dregs of her service and somehow stop the pirates who have taken advantage of the Havenite War to plunder the Star Kingdom s commerce. That would be hard enough, but some of the pirates aren t exactly what they seem . . . and neither are some of her friends. For Honor has been carefully chosen for her mission - by two implacable and powerful enemies. The way they see it, either she stops the raiders or the raiders kill her . . . and either way, they win.
