FAIR WINDS PRESS, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Spontaneous sex can be hot, intense, and incredibly satisfying. Whether you are a new couple who can t keep your hands off each other or married with kids, quickies are the perfect way to stoke your libido, beat predictability and performance pressure, and add another dimension of excitement and trust to a relationship. Quickies are also a necessity to a regular sex life for those of us with little time and privacy for extended lovemaking sessions on a regular basis. Quick sex doesn t have to be less satisfying--it just requires some mindblowing techniques for getting it on fast and good. Fast sex isn t always about positions or orgasms--it is about the thrill of the lusty contact done semi-secretly--such as a hot hand job underneath the table at a restaurant or quick blow job in a public restroom or waking up your husband by riding him in the Cowgirl position. Mindblowing Mornings, Naughty Nooners, and Wild Nights to the rescue! Try morning quickies, nooners, and nights and learn how to master quick hand jobs, oral techniques, and positions. Whether you re looking to bring yourself (or your partner) to climax fast--or create a teaser for a longer session later, each technique will show you how to create excitement and satisfaction in minutes.
