Aui-English Dictionary: Dr. John Weilgart s Dream (Paperback)

By Cedargrove Mastermind Group

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.aUI was developed by Dr. John Weilgart. It means Space Language. Of the various synthetic languages, aUI probably has the best balance between being compact, and conveying meaning well. In aUI, every letter always stands for one basic, core idea. More complex ideas are built up from these letters. Each letter is also indicated as a symbol, that reflects its meaning in some way. aUI is a fascinating language. The first thing a student of a foreign language does, though, is to get a good language dictionary. We present this to you as a useful supplement, to help your study of aUI. Why create a new language, when we already have plenty of languages? Dr. Weilgart would answer that by saying that aUI is a language of pure concepts. He worked with a Nazi, after the war, who was obsessed with dying for the glory of Hitler. The Nazi realized that glory was feeling like God, and asked why he should die, so Hitler should feel like God. Dr. Weilgart was able to help the man to grow in spiritual...
