Virtualbookworm.com Publishing, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Being under attack on a regular basis coupled with the demise of Osama Bin Laden, the world started to consider Al-Qaida as just another terrorist organization and the downward estimation was welcomed by Al-Qaida as they prepare for their next devastating attack. While maintaining absolute security they had managed to evade detection during their planning, testing, and were well underway in the preparation stage with not even a hint of the planned attack being leaked to anyone outside of Al-Qaida. This is the seventh book of a series Virtualbookworm has published for Ron. All of the main characters he introduced in the Surgeons Of Terror series can also be found in Al-Qaida 3763. Knowledge and experience acquired while being privileged to serve in the U.S. Marine Corps and the Central Intelligence Agency helped him write these fictional novels. Ron lives in New Jersey with his wife Rosemary.
