Flow is the modern equivalent of the ancient experience of the Underlying Harmony of the world. Based on the principle that People differ only in their sensitivity to the One, the text uses straight-forward language and exercises to increase our sensitivity to Flow and bring us back into harmony with the current of universal good fortune. Everyone wants good fortune. Few, however, follow the inner path all the way to wisdoms doorstep. Why is this How have things come to such a pass Do people believe they deserve good fortune without having developed the judgment needed to avoid misfortune Are they so distracted by self-centered pursuits that they do not believe they actually deserve good fortune Does the modern mind no longer believe wisdom is achievable Its not until we acknowledge that our intentions are not entirely conscious that we set to work on our character with a real sense of purpose. No matter how we try to convince ourselves or others about our trustworthiness, the intentional field cannot be deceived. By really clarifying our character to the core by which I mean our unconscious desires, aversions, and attitudes our intentions no longer carry with them the ulterior motives of ill-will and self-interest. Refining our whole character like this, so that it is our sincere intention to benefit the whole, brings us in tune with the underlying harmony of the world. Rather than living in an on-going state of dissonance and frustration, we come to live in an on-going state of resonance and contentment. The longer this goes on, the more trustworthy our intention becomes. As dissonance disappears and resonance increases, the field of spiritual cause-and-effect increasingly nurtures the seeds of our intention and, with time, allows them...
