Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The book starts like this. As I write this, the race for the US presidency is coming down to Donald Trump, Republican, vs. Hillary Clinton, Democrat. My interest in this race is narrow. Who s best for Israel? There is no contest. It s Trump all the way. I m not going to dwell on general issues that are of primary interest to the voters, which I am not. But here are some that go to character, which affect everyone. The E-Mail Scandal Hillary, if she had been paid by foreign governments, would have to rate as the most effective spy working against American interests in the post Cold War era. There has never been a mole who infiltrated that high in the US government. The closest you come to her is found in fiction, The Manchurian Candidate. She is literally a wonder of the world: how can anyone who rose to such heights in society be that stupid? Well, she didn t get there on her own by merit. She was piggybacked much of the way by her husband, Bill, the ex-president. The Peter Principle says that someone rises to their level of incompetence and if she hadn t been enabled to skip a few rungs, she would have been shaken out of the system long before she got to where she is. Anyone who did what she did intentionally would be facing 30 years in prison for letting every US enemy in the world read her official e-mails. She not only leaked sensitive information but also, according to those in the know, put lives of agents and officers at risk. You don t have to shoot someone with malice aforethought...
