Ballbelina Tambelina your name Is Silly!, is a childrens picture book that shares the feelings and thoughts of a 6 year old girl. The story book emphasizes the concerns of little Ballbelina, while talking with her mother, about being teased by her peers at school. She becomes sensitive to the point that she cries. Ballbelina has been teased and made fun of her name by some children at her school. It is also the case that her close friends are teased as well. They are teased for their sense of style, appearance and different names. Ballbelina feels at ease and comfortable talking about her emotions with her mother. Ballbelina is accustomed to her mothers comforting company while listening to her. Ballbelinas mother has concerns for her daughters emotional well being and behavior. She is paying attention for the warning signs that her child is being bullied. Mother Tambelina encourages her daughter Ballbelina by letting her know that she is brave, strong and smart. She also has a beautiful name, and has other friends that are loving and caring. Therefore Ballbelina is a fortunate 6 year old girl. Children do suffer from it. Ballbelina loves to play...
