

Beginning React (Paperback)

By Greg Lim

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Developed by Facebook, React is one of the leading frameworks to build efficient web user interfaces. You use small manageable components to build large-sale, data-driven websites without page reloads. No more wasting time hunting for DOM nodes! In this book, we take you on a fun, hands-on and pragmatic journey to master React from a web development point of view. You ll start building React apps within minutes. Every section is written in a bite-sized manner and straight to the point as I don t want to waste your time (and most certainly mine) on the content you don t need. In the end, you will have what it takes to develop a real-life app. About the Reader This book is for developers with basic familiarity with HTML, CSS, Javascript and object-oriented programming. No React experience needed. About the Author Greg Lim is a technologist and author of several programming books. Greg has many years in teaching programming in tertiary institutions and he places special emphasis on learning by doing.
