History Press Library Editions, 2010. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A killer lurks in the dark streets, victimizing servant girls throughout 1885, and Austin becomes the first American city to claim a serial killer. The spirits of convicts wander amidst the manicured grounds of the Texas State Capitol while inside a public servant assassinated in 1903 still haunts the corridors. These are just a few of the strange and frightening tales of Haunted Austin. Within these pages lies evidence that the frontier bravado legendary in so many Texas men and women lives on long after death. Author Jeanine Plumer explores the sinister history of the city and attempts to answer the question: why do so many ghosts linger in Austin?.
