### **Reviews**

*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

Modern Library. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 7.9in. x 5.1in. x 0.6in. The age of Napoleon transformed Europe, laying the foundations for the modern world. Now Alistair Horne, one of the great chroniclers of French history gives us a fresh account of that remarkable time. Born into poverty on the remote island of Corsica, he rose to prominence in the turbulent years following the French Revolution, when most of Europe was arrayed against France. Through a string of brilliant and improbable victories (gained as much through his remarkable ability to inspire his troops as through his military genius), Napoleon brought about a triumphant peace that made him the idol of France and, later, its absolute ruler. Heir to the Revolution, Napoleon himself was not a revolutionary; rather he was a reformer and a modernizer, both liberator and autocrat. Looking to the Napoleonic wars that raged on the one hand, and to the new social order emerging on the other, Horne incisively guides readers through every aspect of Napoleons two-decade rule: from Frances newfound commitment to an aristocracy based on merit rather than inheritance, to its civil code (Napoleons most important and enduring legacy), to censorship, cuisine, the texture of daily life in Paris, and the influence of Napoleon abroad. At the center of Hornes story is a singular man, one whose ambition, willpower, energy and ability to command changed history, and continues to fascinate us today. From the Hardcover edition. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
