John Blake Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Not Stupid: The Inspiring True Story of One Mother's Fight to Give Her Autistic Children the Quality of Life They Deserve, Anna Kennedy, Turned away by no fewer than 26 special needs schools when searching for appropriate educational facilities for their boys, Anna and Sean were down - but not out. Anna was determined to prove that for children like their sons, the challenges of growing up with autism - to demonstrate to the world that they were simply Not Stupid - did not have to end in defeat. Through sheer guts and determination, they turned their situation into a victory by establishing a centre of excellence for the care and support of those with autism. With more than half a million people in Britain affected by autism, it is little wonder that their school quickly became over-subscribed - proof that educational provision in this field is inadequate in the United Kingdom today, and proof also that it is still possible to transform a vision into reality through simply not giving up. Anna's story, and that of her ever-improving sons, is a beacon of inspiration for parents of special needs children all over the country. Not Stupid offers a readers a rollercoaster of emotions but most of all it offers a real sense of hope for those whose lives are affected by autism.
