Sorting fact from fiction to confront the truth about this secret society. The Illuminati dominates any discussion of secret societies. Search the web, spark up a conversation, or search through a library shelf and soon enough you will encounter their name. They have become an ancient order and a modern sensation at the same time. At once a ubiquitous herald of the new world order and the people who market pop albums, trying to discern the truth about the organisation can get lost amid the hail of noise that inevitably follows any mention of their name. To achieve this, we have uncovered fifteen of the most frequently asked questions, queries, and accusations that people have relating to the Illuminati. By taking a discerning, informed look at each of these ideas in detail, we will be able to reach the truth that so many people seek but which can be so hard to find. If you have ever wanted a handy guide to cutting through the mess of information that you find online, then this guide will be perfect for you. If you have ever wanted to know the truth about the Illuminati in a simple, easy to understand guide, this book...
