LAST FREE EXIT (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.June 2013The summer exploded on the world s scene with anticipation. The weather all over promised those long nights of abandon. Eighteen year old men and women knew more than their parents. A super moon covered the sky. Parties posted all over Facebook from Italy to New England with that moon overpowering the pictures. Fine, elegant dining under canopies in the mountains of New Hampshire to drunken brawls in European cities splattered the rolling screen. A summer never dawned like this before that anyone could remember.In this summer, the story of Amber Wilson (from Summer Triangle and Outside of Time) and her three friends begins. Raised in the church, they face new choices. High school graduation is the last free exit as the launch begins. Murder, a trial, and new relationships, along with fear of separation line the next steps in the journey of life. They navigate to stay true to the faith they chose.
