Reviews

Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.
(Shyanne Senger)

THE ACTOR'S LANDSCAPE

Gateways Books & Tapes,US. Paperback. Book Condition: new. BRAND NEW, The Actor's Landscape, Cynthia Henderson, Whimsical yet sincere, this practical guide inspires students of theatrical arts to delve into their own inner reserves of memories, feelings, and dreams to find strong grounding for the characters they wish to convey. Broken into three sections of practice - centring and meditation, partnering, and working with scripts - a wide range of activities are explored, including sitting with a candle; variations on mirroring; statue games; and working with dialog, inflection, improvisation, and interpretation. Reflecting on such classic approaches to acting as the Stanislavski and Meisner techniques, the concise and accessible manual is ideal for classroom or group settings and appeals to both beginning and advanced actors. Illustrative photographs allow for easy understanding of the games and a short bibliography and reading list is included to encourage continued study.
