Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Oakleigh Shooting Code: Containing Two Hundred and Twenty Chapters of Information Relative to Shooting, Man Black-Game, Pheasants, Woodcocks, Snipes, and Hares Tom Oakleigh s Hints on Shooting were published in a series of papers entitled Nights at Oakleigh Old Manor-Hall, the first of which appeared in the New Sporting Magazine on the 1st of May 1833. The following work may be said to be a republication of those Hints, since as many of them as were thought worth retaining have been transferred to the Oakleigh Shooting Code. Much however that was in the Hints has been omitted, or altered, or rendered more explanatory by considerable additions; and much new matter has been introduced, as will be seen at a glance, the length of the Hints bearing a small proportion to that of the Code. The numerous notes appended to the Code were not published with the Hints. The endeavour has been to compress into the Oakleigh Code such practical information only as will be serviceable to the shooter in pursuit of red grouse, black-game, partridges, pheasants, woodcocks, snipes, and hares. It does not profess to embrace that multifarious variety of objects which works on shooting not unfrequently do. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
