She was raped at the age of 10 and after having a baby, she suffered painful criticisms from some relatives. Desperate enough, she left her country; her son was barely a year old and went searching for the American dream. After suffering psychological and physical abuse from her own brother, she decided to welcome and start a relationship, hoping it will change her thinking about life. However, that relationship turned to hell. She loves her children the most so she had to work to be able to sustain their needs. Even to the extent of risking her health, she finds way to survive and be a mother to her kids. She wants the best for her children and be able to give them a normal family. She found a new relationship. After a time, what appeared to be a perfect relationship was changed by infidelity. Death was the only perfect solution.
