FE-MAILS: ECELEBRATING WOMEN ONE CLICK AT A TIME (PAPERBACK)**DOWNLOAD**

iUniverse, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Facts on Figures There are 3 billion women who don't look like supermodels and only eight who do. Marilyn Monroe wore a size 14. If Barbie was a real woman, she'd have to walk on all fours due to her proportions. The average woman weighs 144lb. and wears between a 12-14. One out of every four college aged women has an eating disorder. The models in the magazines are airbrushed--not perfect! A psychological study in 1995 found that three minutes spent looking at a fashion magazine caused 70% of women to feel depressed, guilty and shameful. Models twenty years ago weighed 8% less than the average woman. Today they weigh 23% less. Have you ever been sitting at your computer at home, work, or wherever, and received an e-mail that touched your heart, made you giggle out loud, or just brightened your day? In this humorous and inspirational compilation of forwarded e-mails, author Millicent Perry brings to the forefront what it means to be a woman. Be prepared to laugh until your face hurts, cry until you can't see through the tears, and nod your head in agreement--all because you've experienced every emotion described in Fe-mails.
