

God and Man on Wall Street, the Conscience of Capitalism (Paperback)

By Craig Columbus

Brick Tower Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. This remarkable book will change the way you look at fixing Wall Street and redeeming capitalism. - Scott Umstead, President, Fusion Investment Group Fed up with Wall Street? You re not alone. It doesn t have to be this way! Craig Columbus and Mark Hendrickson turn the subject of financial reform upside down. The authors pull no punches, taking both Wall Street and central bankers to task. They also show you a different side of the financial system, reminding us of the good Wall Street is capable of doing. This hopeful book connects the head and the heart of free markets-uncovering original solutions that cannot be reached by regulations alone. Written for the financial professional and layman alike, God and Man on Wall Street will both challenge and inspire you. A frequent commentator on financial television for fifteen years, Craig Columbus is one of Wall Street s most recognizable strategists and financial executives. He also serves as the chair of the Entrepreneurship Department and executive director of the Center for Entrepreneurship and Innovation at Grove City College. Mark Hendrickson is adjunct professor of economics and...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
