## ONLY IN AMERICA (PAPERBACK)

Xulon Press, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Only In America tells some of my life s milestones. I shared as much as I could remember. Being raised by a single Mom with 8 children in a third world country was bittersweet. I loved Jamaica but it was rough. I was the only boy and the last child in the family. I was not supposed to live. My mother had miscarriages before my birth and the unborn were all boys. I was told that I was a special child. My mother told me that my grandfather dreamt that someone in the family was going to have a son. He believed that my mother was going to have a son. So my grandfather advised that when the child was born, that they must take some of the grease that was used to grease the cartwheel and anoint the bottom of the boychild s foot. When I was born, that s exactly what they did. I don t know why they choose that grease nor if it worked the way Grand-dad stated. But I do know I was anointed with grease as a child. Despite my humble beginnings in Jamaica, growing up as a little boy with a learning disability and having no father, and trying to find myself, there was still hope for me. My life changed once I reached America and I am grateful. My steps have been anointed by God, who allowed me to step on American soil. My life has been CHANGED forever and today I sing: America! America! God shed His grace on thee, And crown thy good with brotherhood From sea to shining sea!.
